

# Beazley's Cyber Services

At Beazley, we understand the importance of protecting your business from cyber risks. Our 360° approach offers comprehensive solutions to safeguard your operations on all fronts. As a Beazley cyber & tech policyholder, you have access to a range of resources designed to help you manage and mitigate cyber threats effectively.

## Our Services Include:

- **Pre-Breach and Risk Management Services:** Offered through Beazley Breach Response (BBR) Services, these resources are designed to help you prepare and protect your business before a breach occurs.
- **Access to Service Providers:** Benefit from Beazley's current panel of service providers who offer specialized cyber security solutions.
- **Risk Management Tools and Resources:** Utilize Beazley's in-house risk management portal at [www.beazleybreachsolutions.com](http://www.beazleybreachsolutions.com) for valuable tools and information.
- **Breach Notification Process:** Easily notify Beazley of a breach and report incidents online.
- **Cyber Business Interruption Guide:** Access our online guide to help you navigate business interruptions caused by cyber incidents.
- **Ransomware Protection:** Beazley's 360° approach provides robust protection against ransomware threats.
- **Discounted Rates on Cyber Security Solutions:** Take advantage of discounted rates for anti-phishing tools, email security, identity and access management solutions, cyber risk assessment, and testing through our network of vendors. Some of the offerings include:
  - Up to: 50% off on **CybeReady's** fully automated, autonomous security awareness training platform
  - Up to 25% off on **KnowBe4's** anti-phishing tools including simulated phishing campaigns and interactive awareness training
  - Up to 60% off on **Trellix's** Email Threat Prevention
- **Test your Cyber profile:** Answer 10 questions for cyber security assessment and recommendations
